

Our journey thus far

2015 is a significant date in the Rotary International calendar as it marks 110 years since Rotary commenced on 23 February 1905. For the Rotary Club of Orange Daybreak, the added significance is that one month after this special occasion, albeit 90 years later, we celebrate our twentieth anniversary on 20th March 2015. Twenty years on, we have gained a wealth of knowledge and experience in the world of Rotary. Each year has been led by a President with commitment and passion for getting things done through their respective Boards and Club members.

The current membership stands at 53, with three of these being original Charter members, all of who have held various positions on the Board, including the Office of President.

As “Daybreakers”, we are proud of the role we have in the community and the work we have undertaken to make the community, both local and international, a better place.

Orange Daybreak continues to be a vibrant and enthusiastic club with strong membership, a club that dares to be different, a club that brings the warmth of fun, fellowship and friendship in the truest sense. We look forward to continued service in all avenues of Rotary.

1995 March-June

Be A Friend

Inaugural President – Patricia Rixon

The Rotary Club of Orange Daybreak was established in January 1995, under the sponsorship of the Rotary Club of Orange Calare and the guidance and direction of DG, Ian Mackay. The initial membership, comprising men and women from a variety of professional backgrounds, reached forty-seven by the time of our Charter – 20th March 1995. Patricia Rixon was inducted as President.

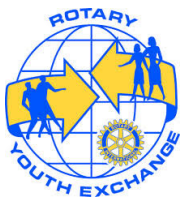

1995 -1996

Act with Integrity, Serve with Love, Work for Peace

Inaugural President – Patricia Rixon

Inaugural President, Patricia (Fridley) Rixon, who remained in office until June 1996 recalls “it was a year of team-building, at times diabolical but always fun. A forging of great friendships and heaps of learning ...it was the beginning”. Although our knowledge of Rotary was limited, we were keen to start, to make things happen, to serve our community. Our first projects included cleaning up the cemetery and helping a Bosnian refugee family to settle in Orange. The Australia Day children’s activity - “Painting in the Park” began in January 1996 and has become an annual tradition.

Active involvement with the Youth Exchange Program (YEP) commenced in both the short term (S/T) and long term (L/T) programs. Outbound: (S/T Nov 95 – Jan 96) Toni Harp (D5260 – California USW); (L/T Jan 96 -97) Sarah Page (D6400 – Windsor, Ontario, Canada).

Build the Future with Action and Vision

President – Christine Norris

President Christine’s aim was “to achieve greater recognition of women in Rotary within the District”. We now had a handle on what Rotary and our Club was all about. The YEP was achieving positive outcomes for the Club and the students. Other youth activities included the Interview skills program for Year 11 and 12 students from local high schools and the hosting of a very successful Rotary Youth Leadership Awards (RYLA) in 1997 and 1998. The latter resulted in the development of the RYLA Information kits which were also used as a format for other Districts.

1997- 1998 **Show Rotary Cares**

President – Graeme Fleming

Membership level was at 24 by June 1997 and Graeme’s aim was to increase membership numbers. In conjunction with Molong Rotary, RCOB provided funds towards an overseas low-cost housing project. Assistance was also provided to “The Alley”, a local youth centre. The District Conference at Griffith was very successful with the “Convicts” from Orange Daybreak taking out the best team costume award. As a “Chain gang” we were also pretty outrageous on the dance floor! Our fame spread via the Cover Girls – Margaret Thomson and Nan Stevenson – who had pride of place on the front cover of May '98 issue of Rotary Down Under! The Club award, “Rotarian of the Year”, was introduced by President Graeme to recognize the outstanding service of an individual member.

Follow your Rotary Dream

President – John Colgan

By the start of the year, the Club had embarked on two annual fundraisers –the sale of Christmas trees and Christmas gift-wrapping at the Shopping Mall, plus we were also earning dollars for our projects through our work at the National Field Days. The proceeds from these events enabled the club to support local groups and overseas aid programs. A team comprising Amy Quesnel (YEP), Tom O'Brien and Simon Burns, accompanied by Nan Stevenson, attended the MUNA program held in Wagga Wagga in June (freezing cold). Once again Club members made a big splash at the District Conference in Young, this time dressed as Chinese coolies!

President – Lee Britton

President Lee’s aims to increase membership and strive for excellence in our club activities were realised. After months of hard work and diligent efforts by all members, the inaugural Central West Outdoor & Garden Expo was launched in October 1999. Such was the success of the Expo, the club received the Rotary International Significant Achievement Award. In conjunction with Cabonne Council, the development of a picnic area at Ophir Reserve, “Daybreak Point” was commenced. The Group Study Exchange (GSE) team from Georgia, USA, whom we hosted, assisted with tree planting at the reserve.

The Club’s first successful GSE nominee, Joanne Gardiner, was accepted for the exchange visit to Georgia, Other highlights were the sponsoring of candidates for RYPEN and RYLA, Interview Skills program and the hosting of RYLA.

**Sow the Seeds of Love
and Harvest the Light that is within you**

President – John Da Rin

President John believed in getting on with the job and leaving the credit with the members who pulled together to achieve yet another successful year of fun, fellowship and fundraising. John Da Rin and Michael Milston attended the RI World Convention in Brisbane. Five members joined the Centurion Club to aid TRF and money was donated to Polio Plus. Members gave freely of their time and energies to many projects, well over 835 hours in fact. One such activity was the Orange Adventure Playground, which enabled members to provide not only valuable community service but also afforded them the opportunity to get to know fellow Rotarians in other clubs. Despite our best efforts, the Rotaract Club could not be sustained due to low membership however other youth projects such as RYPEN, RYLA were well supported.

President – Michael Milston

Lend a Hand

The positive and “can-do” attitude of all members, the camaraderie and fellowship in our Rotary family and the commitment of all to “Lend a Hand,” resulted in another excellent year. Community service activities which were varied and many, included the fifth and final Garden & Outdoor Expo, specific youth projects and the monthly Farmers’ Market, which gained momentum and popularity amongst the local community and visitors to Orange. More than 22 community groups benefited from fundraising activities throughout the year. The increased vigor and commitment prepared the way for our next and new major event, which centered on the association of animals with humans.

The club sponsored nine students to RYPEN, three young leaders to RYLA and a student to the Honeywell Engineering Summer Science School, all of whom found their particular experience to be very positive and beneficial.

A Century of Service – A Century of Success

President – Ric Cother

The monthly Farmers’ Markets continued to go from strength to strength, attracting a greater number of stall holders and patrons from all around the Orange district. Our fundraising activities were a work in progress with the international focus being the literacy kits for children in the South Pacific islands, RAWCS (a water purifier and malaria nets for “Adopt a Village” program) and continued support for the work of Sister Christine Martin and the program “Trauma Management of Children affected by AIDS in South Africa”. A group of twelve members enjoyed a very productive day in September working at the Donations in Kind depot, which is planned to become an annual event. There was a great response for RYPEN with seven students sponsored by Daybreak. The annual sale of Christmas trees was very successful. The hard work and efforts of the Expo committee came to fruition in March 2005 with the inaugural “Feathers, Fur and Fun” Expo.

GSE: PP Graeme Fleming PHF was selected to lead the 2005 Team to Florida, USA.

YEP – Inbound: (L/T Jan 05 -06) Claudia Reich (D2000 – Zurich, Switzerland).

Claudia was the final participant in YEP for Orange Daybreak, with the Club members deciding to pursue other community and youth related programs at the local level.

President – Mitch Lyons

President Mitch believed that the dedicated and enthusiastic club members assisted in Making Dreams Real for many people in local, national and international communities. The club participated in a RAWCS project with nineteen members and their partners travelling to Vanuatu. A Golf Day, Associates' Ball, and the monthly Farmers' Markets raised funds, which were spent on various projects like Western Care Lodge, Victorian Bushfire Appeal, ODEEP, Polio Plus, Interplast, ORK and Sailability. Pride of Workmanship awards were held and the club hosted a GSE team from Italy. At the District Conference RCOD received the Electronic Bulletin Award and the Community Service Award for the house-building project. Youth projects were again strongly supported with local students participating in RYLA, Painting in the Park and RYDA. An afternoon Mad Hatter's Tea party and "Motary Movember" raised money for men's health programs.

2011 -2012 Reach Within to Embrace Humanity

President – Russell Martin

Russell believes that being President gave him the opportunity to learn more about Rotary and especially about the Rotary Club of Orange Daybreak, its members and associates. He felt proud that the RCOD adopted the year's theme to "Reach Within and Embrace Humanity". This was shown through activities such as the Club's support of Anson St School by financial assistance, involvement with the Vehicle in the Vines day, Sailability and members' participation in various operational committees. Other events were helping at the Fantastique Variety Concert, running the Farmers' Markets and the Ball, commitment to the Nepal Project with the teacher training, maintenance and health team visit and monthly meals at Western Care Lodge. Financial assistance was given to many groups including ODEEP, RDA, Shelter Boxes, Polio Plus, the Conservatorium and a Rotary Indigenous Health Scholarship. The club was awarded Orange's Community Group of the Year and also the District International Service Award for the Nepal Project. Another outstanding achievement was all members' commitment to the Centurion Program.
